

## New specialty pharmacy medical step therapy requirements

Effective September 1, 2022, Vabysmo will be included in our medical step therapy precertification review process for ING-CC-0072. Step therapy review will apply upon precertification initiation, in addition to the current medical necessity review (as is current procedure). Step therapy will not apply for members who are actively receiving medications listed below.

*Clinical UM Guidelines* are publicly available on the provider website. Visit the [Clinical Criteria page](#) to search for specific criteria.
