

Community Supports Member Referral Form

California | Medi-Cal Managed Care

Community Supports (CS) refers to services that are flexible, wrap-around supports designed to fill medical and socially determined health gaps. The services are provided as a substitute or to avoid utilization of other services such as hospital or skilled nursing facility admissions, discharge delays, or emergency department use. To be eligible for CS, members must meet specific eligibility requirements. Contracted community-based CS providers will provide services to approved members.
