

## **Anthem Blue Cross expands specialty pharmacy precertification list**

*This communication applies to the Medicare Advantage and Medicare-Medicaid Plan (MMP) programs for Anthem Blue Cross (Anthem).*

Effective for dates of service on and after November 1, 2022, the specialty Medicare part B drug listed in the table below will be included in our precertification review process.

Federal and state law, as well as state contract language and CMS guidelines, including definitions and specific contract provisions/exclusions, take precedence over these precertification rules and must be considered first when determining coverage. Noncompliance with new requirements may result in denied claims.

<b>HCPCS or CPT® codes</b>	<b>Medicare part B drugs</b>
C9098	Carvykti (ciltacabtagene autoleucel)
J3490	Carvykti (ciltacabtagene autoleucel)
J3590	Carvykti (ciltacabtagene autoleucel)

### **What if I need assistance?**
