# Self-referral services

Self-referral services do not require members to obtain a referral from their assigned primary medical provider (PMP) or a prior authorization (PA) from Anthem Blue Cross and Blue Shield (Anthem). Coverage is based on the eligibility and plan benefits at the time of service. A full list of self-referral services is available in the Anthem Provider Manual. The following are examples of services that do not require referrals:

- Routine vision
- Outpatient behavioral health (BH):
  - In-network if not provided by a psychiatrist
- Emergency services
- Podiatry
- Family planning
- Immunizations
- Diabetes self-management

## Self-referral services (cont.)

Anthem covered services for Healthy Indiana Plan (HIP), Hoosier Healthwise, and Hoosier Care Connect are based on medical necessity and benefit coverage at the time of service. Prior to rendering services, providers should be attested with Indiana Health Coverage Programs (IHCP).
