

Postpartum visit schedule

The postpartum visit is an important part of overall pregnancy care and should occur between 7 to 84 days following delivery. Per the American College of Obstetricians and Gynecologists, all women should ideally have contact with a maternal care provider within the first three weeks postpartum. This initial assessment should be followed up with ongoing care as needed, concluding with a comprehensive postpartum visit no later than 12 weeks after birth. Please see the table below to assist in when to schedule a postpartum visit with a new mother.
