

EnrollSafe/EFT enrollment portal

Effective November 1, 2021, EnrollSafe* replaces CAQH Enrollhub as the electronic funds transfer (EFT) enrollment portal for providers. Log onto the EnrollSafe enrollment hub at <https://enrollsafe.payeehub.org> to enroll in EFT.

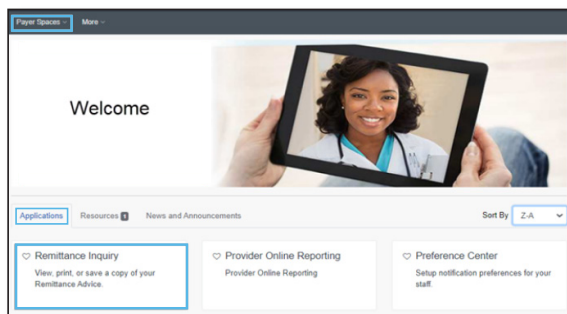

Log onto the EnrollSafe enrollment hub at <https://enrollsafe.payeehub.org> to enroll in EFT. Once you have completed registration, you'll be directed through the EnrollSafe secure portal to the

enrollment page, where you'll provide the required information to receive direct payment deposits. If you're already enrolled in EFT through CAQH Enrollhub, no action is needed unless you are making changes. Your EFT enrollment information will not change as a result of the new enrollment hub.

Electronic remittance advice (ERA) makes reconciling your EFT payment easy and paper-free.

Using the digital ERA is the best way to reconcile your deposits securely and safely. You'll be issued a trace number with your EFT deposit that matches up with your ERA on Availity.

You can view or download a copy of the Remittance Advice under Payer Spaces > Applications > Remittance Inquiry tool.

ERAs are made available through Availity or through your clearinghouse or billing service.
