

Prior authorization updates for medications billed under the medical benefit

Effective for dates of service on and after January 1, 2022, the following medication codes billed on medical claims from current or new *Clinical Criteria* documents will require prior authorization.

Please note, inclusion of a national drug code on your medical claim will help expedite claim processing of drugs billed with a not otherwise classified (NOC) code.

Visit the [Clinical Criteria](#) to search for the specific *Clinical Criteria* listed below.
