

# ***Medicaid-Approved Preferred Drug List***

**Effective June 1, 2024**

## **Legend**

In each class, drugs are listed alphabetically by either brand name or generic name.

**Brand name drug:** Uppercase in bold type

**Generic drug:** Lowercase in plain type

**AL:** Age Limit Restrictions

**DO:** Dose Optimization Program

**GR:** Gender Restriction

**OTC:** Over the counter medication available with a prescription. (Prescribers please indicate OTC on the prescription)

**PA:** Prior authorization is required. Prior authorization is the process of obtaining approval of benefits before certain prescriptions are filled.

**QL:** Quantity limits; certain prescription medications have specific quantity limits per prescription or per month.

**SP:** Specialty Pharmacy

**ST:** Step therapy is required. You may need to use one medication before benefits for the use of another medication can be authorized.

| Drug Name                                                           | Reference   | Notes      |
