

Provider Pathways — Learn all about it!

Anthem wants to remind you of a training resource that’s available for all providers. It’s called Provider Pathways, which is an on-demand digital eLearning that’s comprised of a collection of topics called modules. Each module covers a different aspect of doing business with Anthem. Depending on what you need, you can take one or all the modules.

Go here to find out more about Medicaid:

- What challenges do Medicaid Members face?
- What resources do we have to help you support your patients?

These sections will share our business practices and resources. Some items you will find:

- How do you know if a service requires an authorization?
- Where do you go to submit claims?
- What if you do not agree with a determination or payment.

Two-way communication is important. Provider Pathways will let you know how:

- We will share important updates with you.
- You can let us know of changes to your practice.

How to find Provider Pathways
