NEVADA DIVISION OF HEALTH CARE FINANCING AND POLICY

MANAGED CARE ENROLLMENT

This form serves as an account of the recipient’s wishes in regards to their Medicaid managed care enrollment. If disenrollment is requested and approved prior to monthly cut-off, the Nevada Division of Health Care Financing and Policy (DHCFP) will disenroll the Medicaid managed care recipient from his/her health plan on the first day of the month following submission of this form. Following disenrollment, all covered medically necessary services, including but not limited to services specific to the recipient’s SED or SMI diagnosis, will be authorized and reimbursed through Fee-for-Service Medicaid. If no disenrollment is requested, the recipient will continue to receive services through their health plan. *If the recipient is currently exempt from managed care for reasons other than an SED or SMI determination, the recipient will remain Fee-for-Service Medicaid as long as that exemption is in effect.*

If this is your first determination, please indicate your choice below (choose only one):

- I wish to disenroll from managed care and be covered under Fee-for-Service Medicaid.
- I wish to remain in managed care and keep my enrollment with my health plan.
- I am currently covered under Fee-for-Service Medicaid and wish to remain that way.

If this is a re-determination and you were previously disenrolled from managed care due to your SED or SMI determination, please indicate your choice below (choose only one):

- I wish to remain Fee-for-Service Medicaid.
- I wish to return to managed care and be enrolled in a health plan.
