

Importance of provider directory accuracy

Here at Anthem Blue Cross and Blue Shield Healthcare Solutions (Anthem), our focus is to communicate with our exceptional healthcare professionals, improving member access to care through the accuracy of our provider directory. To ensure the provider directory data is up-to-date, accurate, and complete, we implore you to notify us whenever you have changes within your practice such as providers joining your group, providers leaving your organization, and/or significant demographic changes.

To update your practice on our provider directory, please use the [Practice Profile Update Form \(Medicaid Only\)](#), follow the instructions outlined in the form, and email it to [nvproviderdata@anthem.com] for processing.

To update your Commercial/Medicare information, please use the [Provider Maintenance Form](#).

If you have questions or need assistance, please contact your Provider Services consultant, or visit <https://providers.anthem.com/nv> > **Contact Us** > **Email a Provider Experience associate**.
