

Introducing the Provider Learning Hub

This communication applies to Medicaid from Anthem Blue Cross and Blue Shield Healthcare Solutions and Medicare Advantage plans from Anthem Blue Cross and Blue Shield.

You can learn about many of our digital capabilities through a new educational platform called the Provider Learning Hub. The Provider Learning Hub will include helpful information related to:

- Availity Essentials* registration and onboarding.
- Electronic medical attachments.
- Administrative transactions.

You can access the Provider Learning Hub without a username or password.

Access the Provider Learning Hub today from the provider website under Availity Essentials [here](#).

Our first featured training will focus on attachment applications – with special emphasis on new processes that will make submitting attachments much more efficient.

* Availity, LLC is an independent company providing administrative support services on behalf of the health plan.
