How to choose a PCP

Your PCP will get to know you and provide most of your care. Choosing a PCP is easy. You can pick a PCP for yourself and for your children from the list in this directory. Each eligible family member can pick his or her own PCP. Your PCP will give you all the basic health services you need. Please check the directory to see if the PCP you want is accepting new members. If you need help, call Member Services at **844-396-2329 (TTY 711)**, Monday through Friday from 7 a.m. to 7 p.m. Pacific time. Or, use our **Find a Doctor** tool to search for providers by name, type or location. Visit [anthem.com/nvmedicaid](https://www.anthem.com/nvmedicaid).

How to get OB/GYN services

You can see an Anthem Blue Cross and Blue Shield Healthcare Solutions (Anthem) obstetrician/gynecologist (OB/GYN) without a referral from your PCP for services such as:

- Well-woman visits.
- Care related to pregnancy.
- Care for any female medical condition.
- Family planning.

If you are in your third trimester and seeing an OB/GYN who is not part of our network, you may be able to continue seeing that provider up through your delivery and postpartum care. Call Member Services at **844-396-2329 (TTY 711)** with the name of the OB/GYN you want to continue seeing.

How to get Healthy Kids visits for children

Healthy Kids visits are medical checkups that help Medicaid children stay healthy.

Babies and children need more care to get a good start in life. These visits also help doctors find health problems early when it's easiest to take care of them. During a Healthy Kids visit, your child will get things like:

- Height/weight checks.
- Immunizations (shots).
- Tests for tuberculosis (TB), lead, and other health problems.
- Eye and ear tests.
- Physical exams.
- Nutrition reviews.
- Tips about safety and health.

You can get Healthy Kids visits for Medicaid children under age 21 from any Anthem network provider. Your child does not need a referral for these visits. If you need help finding a PCP for your child, call Member Services at **844-396-2329 (TTY 711)**, Monday through Friday from 7 a.m. to 7 p.m. Pacific time. Or, visit our website at [anthem.com/nvmedicaid](https://www.anthem.com/nvmedicaid) to see our most up-to-date searchable list of providers.

How to get behavioral health services

Sometimes, dealing with all of the tasks of a home and family can lead to stress. Stress can lead to depression and anxiety. It can also lead to marriage, family, and/or parenting problems, as well as alcohol and drug misuse or abuse. We contract with doctors, therapists, and counselors who can help you with these kinds of problems. Call Member Services at **844-396-2329 (TTY 711)**, Monday through Friday from 7 a.m. to 7 p.m. Pacific time for help.

Your benefits include many medically needed services, such as:

- Inpatient mental health care.
- Outpatient mental health care and/or substance use disorder treatment.
- Partial hospitalization.
- Mental health rehabilitative treatment services.

All services and treatment are strictly confidential. **You don't need a referral from your PCP to get these services or to see a behavioral health specialist in your network.**

If you think a behavioral health specialist does not meet your needs, talk to your PCP. He or she can help you find a different kind of specialist.

There are some treatments and services your PCP or behavioral health specialist must ask Anthem to approve before you can get them. Your doctor will be able to tell you what they are. If you have questions about referrals and when you need one, contact Member Services at **844-396-2329 (TTY 711)**.

How to get special care

Your PCP will send you to other types of doctors (called specialists) or providers if you need special care. This is called a referral. That means your PCP agrees that you need special care for a problem. He or she will send you to a doctor that specializes in your problem. Some examples are:

- Allergist (for allergy problems).
- Cardiologist (for heart problems).
- Dermatologist (for skin problems).

Make sure your specialist is in our network, so your special care will be covered.

How to know what care you need

If you're sick and don't know what to do, call your PCP. Your PCP can tell you:

- If you can wait to come in to be treated.
- If you can take care of your illness at home.
- Whether to visit a clinic or urgent care center.
- If you need to go to an emergency room.

You can also call our 24/7 NurseLine to speak to a registered nurse anytime, day or night. If you need emergency care, go directly to the nearest hospital or urgent care facility. If you need emergency transportation, call 911.

How to know if it's an emergency

An emergency is anything that could cause very serious harm to your body or your death if not treated immediately. Examples of problems that are most likely emergencies include:

- Trouble breathing.
- Chest pains.
- Loss of consciousness.
- Very bad bleeding that doesn't stop.
- Very bad burns.
- Shakes called convulsions or seizures.

How to know when you don't need emergency care

You usually don't need to go to the ER for:

- Colds and flu.
- Coughs.
- Sore throats.
- Earaches.
- Fever (without convulsions).
- Insect bites (without breathing difficulties).
- Minor burns.
- Muscle strains.
- Common skin rashes.
- Simple urinary infections.
- Vomiting or diarrhea for less than one day.

Su PCP lo conocerá y le suministrará la mayor parte del cuidado. Elegir un PCP es fácil. Puede elegir un PCP para usted y sus hijos de la lista en este directorio. Cada integrante de la familia elegible puede seleccionar su propio PCP. Su PCP le brindará todos los servicios básicos de salud que necesite. Revise el directorio para saber si el PCP que desea recibe nuevos miembros. Si necesita ayuda, llame a Servicios al Miembro al **844-396-2329 (TTY 711)**, de lunes a viernes, de 7 a.m. a 7 p.m., hora del Pacífico. O bien, use nuestra herramienta **Find a Doctor (Buscar un médico)** para buscar proveedores por nombre, tipo o ubicación. Visite anthem.com/nvmedicaid.

Cómo recibir servicios de OB/GYN

Puede consultar a un obstetra o ginecólogo (OB/GYN) de Anthem Blue Cross and Blue Shield Healthcare Solutions (Anthem) sin una remisión de su PCP por servicios como:

- Visitas de mujer sana.
- Cuidado relacionado con el embarazo.
- Cuidado para cualquier condición médica femenina.
- Planificación familiar.

Si se encuentra en su tercer trimestre y el OB/GYN al que acude no es parte de nuestra red, puede seguir acudiendo a ese proveedor hasta el parto y el cuidado de posparto. Llame a Servicios al Miembro al **844-396-2329 (TTY 711)** y díganos el nombre del OB/GYN al que desea seguir acudiendo.

Cómo recibir visitas de Healthy Kids para niños

Las visitas de Healthy Kids son chequeos médicos que ayudan a los niños de Medicaid a mantenerse sanos.

Los bebés y niños necesitan más cuidado para comenzar la vida de buena manera. Estas visitas también ayudan a los médicos a detectar los problemas de salud a tiempo, cuando es más fácil tratarlos. Durante una visita de Healthy Kids, su hijo podrá beneficiarse de cosas como:

- Chequeos de altura/peso.
- Vacunaciones (inmunizaciones).
- Exámenes para detectar tuberculosis (TB), plomo, y otros problemas de salud.
- Análisis oftalmológicos y auditivos.
- Exámenes físicos.
- Exámenes nutricionales.
- Consejos de salud y seguridad.

Puede recibir visitas de Healthy Kids para niños de Medicaid menores de 21 años de cualquier proveedor dentro de la red de Anthem. Su hijo no necesita un referido para estas visitas. Si necesita ayuda para encontrar un PCP para su hijo, llame a Servicios al Miembro al **844-396-2329 (TTY 711)**, de lunes a viernes, de 7 a.m. a 7 p.m., hora del Pacífico. O bien, visite nuestro sitio web **anthem.com/nvmedicaid** para buscar proveedores en nuestra lista más actualizada.

Cómo recibir servicios de salud del comportamiento

En algunas ocasiones, lidiar con las tareas del hogar y la familia puede ser estresante. El estrés puede provocar depresión y ansiedad. También puede ocasionar problemas en el matrimonio, la familia y/o la paternidad, así como desembocar en el mal uso o abuso del alcohol y las drogas. Trabajamos con médicos, terapeutas y consejeros que pueden ayudarlo con este tipo de problemas. Llame a Servicios al Miembro al **844-396-2329 (TTY 711)**, de lunes a viernes, de 7 a.m. a 7 p.m., hora del Pacífico para obtener ayuda.

Sus beneficios incluyen muchos servicios por razones médicas, como:

- Cuidado de la salud mental para pacientes hospitalizados.
- Cuidado de la salud mental ambulatoria o tratamiento para el abuso de sustancias.
- Hospitalización parcial.
- Servicios de tratamiento para rehabilitación de la salud mental.

Todos los servicios y el tratamiento son estrictamente confidenciales. **No necesita un referido de su PCP para recibir estos servicios o para consultar a un especialista en salud del comportamiento de su red.**

Si considera que un especialista en salud del comportamiento no satisface sus necesidades, hable con su PCP. El PCP puede ayudarlo a hallar un tipo de especialista diferente. Algunos tratamientos y servicios requieren que su PCP o especialista en salud del comportamiento soliciten la aprobación previa de Anthem. Su médico le dirá cuáles son. Si tiene preguntas acerca de los referidos y cuándo son necesarios, póngase en contacto con Servicios al Miembro al **844-396-2329 (TTY 711)**.

Cómo recibir cuidado especial

Su PCP lo derivará a otros tipos de médicos (llamados especialistas) o proveedores si necesita cuidado especial. Esto se conoce como remisión. Esto significa que su PCP está de acuerdo con que usted necesita cuidado especial por un problema. Su PCP lo derivará a un médico que se especialice en su problema. Los siguientes son algunos ejemplos:

- Alergista (para problemas de alergia).
- Cardiólogo (para problemas cardíacos).

- Dermatólogo (para problemas cutáneos).

Asegúrese de que su especialista se encuentra en nuestra red para que su cuidado especial esté cubierto.

Cómo saber qué tipo de cuidado necesita

Si está enfermo y no sabe qué hacer, llame a su PCP. Su PCP puede decirle:

- Si puede esperar para tratarse.
- Si puede tratar su enfermedad en su casa.
- Si debe acudir a una clínica o a un centro de cuidado urgente.
- Si debe dirigirse a una sala de emergencias.

También puede llamar a nuestra 24/7 NurseLine (Línea de enfermería de 24/7) para hablar con un enfermero registrado en cualquier momento, durante el día o la noche. Si necesita cuidado de emergencia, diríjase directamente al hospital o centro de cuidado urgente más cercano. Si necesita transporte de emergencia, llame al 911.

Cómo saber si se trata de una emergencia

Una emergencia es aquello que puede causar daños muy graves a su cuerpo o la muerte si no se trata de inmediato. Estos son algunos ejemplos de problemas que suelen ser emergencias:

- Dificultad para respirar.
- Dolor de pecho.
- Pérdida del conocimiento.
- Sangrado extremo que no se detiene.
- Quemaduras graves.
- Sacudidas llamadas convulsiones o ataques.
