Web Announcement 2389

Attention Providers Who Wish to Enroll with Nevada Medicaid to Administer the COVID-19 Vaccine

Providers who request to enroll with Nevada Medicaid to administer the COVID-19 vaccine must submit an initial application using the following resources. Please include an attachment that indicates the reason for enrollment is to administer the COVID-19 vaccine.

Once the enrollment request is submitted, please email nv.providerapps@dxc.com to request expedited enrollment. Include your National Provider Identifier (NPI) in the email and title the subject line COVID-19 Vaccination Enrollment.
