

You're invited!

Anthem Blue Cross and Blue Shield Healthcare Solutions
Medicaid Managed Care

Provider coding education webinars and on-demand trainings are now available!

You can now access all provider coding education events for Anthem Blue Cross and Blue Shield Healthcare Solutions (Anthem) with one convenient link: <https://bit.ly/37haSjG>. We will add new topics to the training page – be sure to check it often. Enjoy informative webinars designed specifically for network providers, coders, billers and office staff. A variety of helpful and educational topics relating to coding and documentation, claims and billing issues, member care, quality measures, and more are available.

Live events: Each live training webinar events awards one unit of continuing education.

On-demand events: A library of recorded webinars is available for your convenience, which is a great way to stay updated on relevant information. After registering, you will receive a confirmation email with details and a password. Currently, we only offer continuing education units for on demand events.

On-demand events password: Nevada21

Topics focus on:

- Improving the patient experience.
- Complete and Accurate Diagnosis Coding.
- Behavioral Health HEDIS
- And more forthcoming topics.

Register today; you will not want to miss these exciting opportunities!
To register follow these instructions:

- Access the Anthem training page at the above link.
- You may also access the page using the QR code:
 - Use the camera on your device to capture the QR code and tap the link once it appears to open the training page.
