

## **Anthem Blue Cross and Blue Shield HP**

### **Hot Tip: Proton Pump Inhibitors**

Your Anthem patients on nonpreferred products may experience a pharmacy claim rejection. To avoid additional steps or delays at the pharmacy, consider prescribing preferred products whenever possible. Prior authorization and step therapy may apply to select preferred products. Coverage should be verified by reviewing the *Preferred Drug List (PDL)* on the Anthem provider website. The *PDL* is subject to change quarterly.

<b>Therapeutic class</b>	<b>Nonpreferred products</b>	<b>Preferred products<sup>1</sup></b>
	<p>All brand and generic <u>prescription</u> strengths and formulations</p> <ul style="list-style-type: none"> <li>• Zegerid (omeprazole-bicarbonate)</li> <li>• Omeppi (omeprazole-bicarbonate)</li> <li>• Omeprazole-bicarbonate (generic Rx Zegerid)</li> </ul>	<p>All brand and generic <u>OTC</u> strengths and formulations<sup>1</sup></p> <ul style="list-style-type: none"> <li>• OTC Zegerid (omeprazole-bicarbonate)</li> <li>• OTC omeprazole-bicarbonate (generic OTC Zegerid)</li> </ul>
<p>Proton pump inhibitors</p>	<p>All brand and generic <u>prescription</u> product strengths and formulations unless otherwise noted</p> <ul style="list-style-type: none"> <li>• Aciphex (rabeprazole)</li> <li>• Dexilant (dexlansoprazole)</li> <li>• Esomeprazole (generic Nexium)</li> <li>• Lansoprazole (Prevacid)</li> <li>• Nexium (esomeprazole)</li> <li>• Omeprazole2 (generic Prilosec)</li> <li>• Pantoprazole (generic Protonix)</li> <li>• Prevacid (lansoprazole)</li> <li>• Prilosec (omeprazole)</li> <li>• Protonix (pantoprazole)</li> <li>• Rabeprazole (generic Aciphex)</li> </ul>	<p>All brand and generic <u>OTC</u> product strengths and formulations<sup>1</sup> See footnote for reference of available OTC strengths<sup>3</sup></p> <ul style="list-style-type: none"> <li>• OTC esomeprazole DR (generic Nexium)</li> <li>• OTC lansoprazole DR (generic Prevacid)</li> <li>• OTC Nexium 24hr (esomeprazole)</li> <li>• OTC omeprazole (generic Prilosec)</li> <li>• OTC Prevacid 24hr (lansoprazole)</li> <li>• OTC Prilosec (omeprazole)</li> </ul>
