Quality healthcare from Anthem Blue Cross and Blue Shield HP

The Essential Plan through the NY State of Health Marketplace is a unique health plan designed to help you get routine and emergency care. We work closely with you to make sure you are getting the care that you need.

You may use this directory to see all the providers who are in our plan. If you don't see a provider's name in this book, please visit our website at [anthem.com/ny/medicaid](https://www.anthem.com/ny/medicaid) or call Member Services at **800-300-8181 (TTY 711)**.

Choosing your primary care provider (PCP)

As a member of the Essential Plan from Anthem, you will need to choose the PCP you'd like to see. Your PCP will help you get the care you need. If you have not selected one or if you want to change your PCP, please choose one from this book or visit our website at [anthem.com/ny/medicaid](https://www.anthem.com/ny/medicaid) to find a PCP.

As you look through the PCP section of this directory or online, you will see different types of providers listed:

- Family practice: A family practitioner is trained to care for adults and children.
- Internal medicine: An internist cares for adults.
- Certified nurse practitioner: A certified nurse practitioner works with a medical doctor.

If you want to get your primary care from an obstetrician-gynecologist (OB-GYN), you may choose one as your PCP and have him or her be your main source of care.

Once you have selected the PCP, call the provider to make sure he or she is taking new patients. Then, call Member Services at **800-300-8181 (TTY 711)** to let us know who you want, and we will update your records.

Finding a specialist

In some cases, you and your PCP will decide you need to see a specialist. This directory contains a list of specialists to whom your PCP can refer you. **You do not need a written referral from a PCP before receiving specialist care:**

- Dental care
- Vision care
- OB-GYN visits twice a year for routine care
- Emergency services
