OHIO URINE DRUG TESTING PRIOR AUTHORIZATION (PA) REQUEST FORM

The Clinical Advisory Group of the Ohio Department of Mental Health and Addiction Services established broad guidelines to appropriate clinical use of urine drug testing for patients with a substance use disorder. These guidelines took into account ease of access for patients by eliminating barriers to care, as well as account for patient safety, acuity, risk of relapse/overdose, level of care, and sustained abstinence.

Date of Request: _____

Patient Information

Last Name: _____ First Name: _____
