 FROM: Karen Kimsey, Director Department of Medical Assistance Services (DMAS)
- **SUBJECT:** COVID-19 Vaccine Administration by Pharmacists, Pharmacy Interns, and Pharmacy Technicians under the Federal PREP Act Declaration and its Amendments

The purpose of this bulletin is to inform Medicaid-enrolled pharmacy providers that, in accordance with stipulations contained within the Public Readiness and Emergency Preparedness (PREP) Act and its amendments, DMAS and all contracted Medicaid Care Organizations reimburse COVID-19 vaccinations administered by pharmacists and pharmacy interns (effective 2/4/2020) and pharmacy technicians (effective 3/11/2021) to Medicaid Members through the pharmacy point-of-sale system. The PREP Act includes requirements such as additional training, CPR certification, recordkeeping and documentation, and reporting that must be met to administer vaccinations under this declaration.

Please refer to the <u>PREP Act Fact Sheet:</u> Expanding the COVID-19 Vaccination Workforce document at <u>https://www.phe.gov/emergency/events/COVID19/Documents/covid19-vaccination-wrkfrc-factsheet-508.pdf</u> for more information on the PREP Act provisions which must be met by all qualified persons before administering COVID-19 Vaccines.
