## Emergency room alternatives

This section lists different kinds of places you can get care from without going to the emergency room.

**Retail health clinic:** A clinic staffed by medical professionals who provide basic medical services to walk-in patients, usually in a major pharmacy or retail store

**Walk-in doctor's office:** A doctor's office that doesn't require you to be an existing patient or have an appointment; can handle routine care and common family illnesses

**Urgent care center:** A group of doctors who treat conditions that should be looked at right away but aren't as severe as emergencies; can often do X-rays, lab tests, and stitches

The providers listed have agreed to participate at the locations shown. If you see a provider at a location not listed, please make sure the provider has an agreement at that location.

Providers in this section have not been credentialed by HealthKeepers, Inc. This doesn't suggest anything about the quality of those providers. This just means we haven't taken any steps to determine their qualifications. All of the providers have shown us they are licensed and carry levels of malpractice insurance that meet our minimum requirements. Make sure to talk with your providers about qualifications.

## **Alternativas a la sala de emergencias**

En esta sección se detallan los distintos lugares en los que puede recibir cuidados sin tener que ir a una ER.

**Clínica médica en establecimiento minorista:** Consiste en una clínica con profesionales de la salud que ofrece servicios médicos básicos a pacientes sin cita previa, por lo general en farmacias grandes o tiendas minoristas.

**Consultorio del doctor sin cita previa:** Es el consultorio de un doctor al que puede acudir sin ser paciente y sin cita previa; este doctor podrá realizar cuidados de rutina y tratar enfermedades familiares básicas.

**Centro de atención urgente:** Incluye al grupo de doctores que tratan afecciones que deben atenderse rápidamente pero que no son tan graves como las emergencias; por lo general ofrecen radiografías, análisis de laboratorio y suturas.

Los proveedores que figuran en la lista atienden por cobertura en las ubicaciones que se detallan. Si usted visita a un proveedor en una ubicación que no aparece en la lista, asegúrese de que ese proveedor tenga un acuerdo para esa ubicación.

Los proveedores de esta sección no poseen credenciales de HealthKeepers, Inc., lo cual no sugiere nada sobre la calidad de los cuidados que ofrecen. Esto solo significa que no hemos realizado ninguna tarea para determinar sus aptitudes. Todos los proveedores nos han demostrado que tienen sus licencias y que poseen niveles de seguro de mala praxis que cumplen con nuestros requisitos mínimos. Asegúrese de hablar con los proveedores sobre sus aptitudes.
