If you have Medicare, too

We'll coordinate with both your Medicaid and Medicare plans. You'll get benefits like doctor visits, hospitalizations, behavioral health, and prescriptions from Medicare. If you need long-term services and supports, you'll get them from us.

Choose a PCP

Finding a doctor who fits you and your needs is easy. Just pick one listed in this book. Your PCP can be any of these kinds of providers who are in your health plan:

- Family doctor

- Specialist who gives primary care

Your PCP will get to know you and your health history. They will be your first stop for all your regular care needs.

If you have both Medicare and Medicaid, you'll choose a PCP from your Medicare plan. Just let us know who you choose, and we'll coordinate with your Medicare PCP.

Can't find your current PCP listed here? Call **800-901-0020 (TTY 711)**. We add new doctors to our plan every day.
