### Disclaimer

These reimbursement policies serve as a guide to assist you in accurate claims submissions and to outline the basis for reimbursement if HealthKeepers, Inc. covered the service for the member's Anthem HealthKeepers Plus benefit plan. The determination that a service, procedure, item, etc. is covered under a member's benefit plan is not a determination that you will be reimbursed. Services must meet authorization and medical necessity guidelines appropriate to the procedure and diagnosis as well as to the member's state of residence.

You must follow proper billing and submission guidelines. You are required to use industry standard, compliant codes on all claim submissions. Services should be billed with Current Procedure Terminology® (CPT) codes, Healthcare Common Procedure Coding System (HCPCS) codes, and/or revenue codes. These codes denote the services and/or procedures performed and, when billed, must be fully supported in the medical record and/or office notes. Unless otherwise noted within the policy, our reimbursement policies apply to both participating and non-participating professional providers and facilities.

If appropriate coding/billing guidelines or current reimbursement policies are not followed, HealthKeepers, Inc. may:

- Reject or deny the claim.
- Recover and/or recoup claim payment.

These reimbursement policies may be superseded by mandates in provider, state, federal, or Centers for Medicare & Medicaid Services (CMS) contracts and/or requirements.

HealthKeepers, Inc. strives to minimize delays in policy implementation. If there is a delay, we reserve the right to recoup and/or recover claims payment to the effective date in accordance with the policy. We reserve the right to review and revise these policies when necessary. When there is an update, we will publish the most current policy to the website.

Reimbursement is based on the rental price up to the maximum allowed of the particular DME. The item is considered purchased once the purchase price has been met. There may be instances in which a particular item may be considered for direct purchase on a case-by-case basis.

### **Circumstances Affecting Rental Reimbursement**

The reimbursement limit for rented DME is 10 months. Once the limit is met, claims submitted for the rental of the item will be denied:

- Rental periods that contain a break in coverage of more than 60 days will start the limitation count over.
- On the occasion a member changes suppliers during the rental period, a new rental period will not start over.

HealthKeepers, Inc. allows reimbursement for oxygen equipment on a monthly rental basis for a maximum of 36 months; however, HealthKeepers, Inc. will continue to reimburse for oxygen contents and supplies up to an additional 24 months, as applicable.

Supplies, contents and accessory components associated with oxygen rental DME are not separately reimbursed and considered all-inclusive in the rental reimbursement.

### **Items Not Considered DME**

The following items are not considered DME:

- Prosthetics or orthotics
- Disposable medical supplies (DMS)

**Note:** This policy does not apply to direct purchase DME.

### **Nonreimbursable DME**

HealthKeepers, Inc. does not allow reimbursement for:

- Provision of DME that exceeds the benefit limit unless authorized through medical necessity.
- Repair or replacement of DME necessitated by abuse or neglect.
- Repair or replacement of DME during the warranty period.
- Enhancements or upgrades of DME for the convenience of the member or caregiver.
- The aesthetic appearance of DME for the preference of the member or caregiver.
