Updates for medication codes billed under the medical benefit

Please note, this communication applies to Anthem HealthKeepers Plus, Medallion and Anthem HealthKeepers Plus, Commonwealth Coordinated Care Plus (Anthem CCC Plus) offered by HealthKeepers, Inc.

Effective for dates of service on and after June 27, 2022, the following updates for medication codes billed on medical claims will apply.

Please note, inclusion of a national drug code on your medical claim is necessary for claim processing of drugs billed with a not otherwise classified (NOC) code:

- Both the Healthcare Common Procedure Coding System (HCPCS) and National Drug Code (NDC) must be accurate and applicable to the medication requested.
- The manufacturer of the submitted NDC must participate in the Medicaid Drug Rebate Program.
- The submitted NDC must not be for a DESI 5 or 6 drug. (DESI 5 or 6 drugs are drugs that have been defined by the FDA as less than effective.)
- Participating manufacturers and DESI designations are updated quarterly and can be found at https://data.medicaid.gov/dataset/0ad65fe5-3ad3-5d79-a3f9-7893ded7963a/data.
