

## Medical drug benefit *Clinical Criteria* updates

Please note, this communication applies to Anthem HealthKeepers Plus, Medallion and Anthem HealthKeepers Plus, Commonwealth Coordinated Care Plus (Anthem CCC Plus) offered by HealthKeepers, Inc.

On August 21, 2020 and May 21, 2021, the Pharmacy and Therapeutic (P&T) Committee approved the following *Clinical Criteria* applicable to the Anthem HealthKeepers Plus **medical drug benefit** for HealthKeepers, Inc. These policies were developed, revised, or reviewed to support clinical coding edits.

Visit [Clinical Criteria](#) to search for specific policies. If you have questions or would like additional information, use this [email](#).

Please see the explanation/definition for each category of *Clinical Criteria* below:

- New: newly published criteria
- Revised: addition or removal of medical necessity requirements, new document number
- Updates marked with an asterisk (\*) notate that the criteria may be perceived as more restrictive

Please share this notice with other members of your practice and office staff.

**Note: The *Clinical Criteria* listed below applies only to the medical drug benefits contained within the member's medical policy. This does not apply to pharmacy services.**
