**Long-Term Care (Ltc) Pharmacies / Farmacias De Cuidado A Largo Plazo (Ltc)
Emporia City County / Condado de Emporia City**

Residents of a long-term care facility, such as a nursing home, can get their prescription drugs through the facility's pharmacy or another pharmacy in your plan.

Long-term care (LTC) pharmacies are also called specialized pharmacies. Usually, long-term care facilities have their own pharmacies. We'll help you get the medicines you need at your facility's pharmacy. If your long-term care facility's pharmacy isn't in your plan or you need help getting your prescription drug benefits through your facility's pharmacy, call your care coordinator or our Member Services team.

Los residentes de un centro de cuidados a largo plazo, como un hogar de ancianos, pueden obtener sus medicamentos recetados a través de la farmacia de la instalación u otra farmacia de su plan.

Las farmacias de atención a largo plazo (LTC) también se llaman farmacias especializadas. Por lo general, los centros de atención a largo plazo tienen sus propias farmacias. Le ayudaremos a obtener los medicamentos que necesita en la farmacia de su centro. Si la farmacia de su centro de cuidado a largo plazo no está en su plan o necesita ayuda para obtener sus beneficios de medicamentos recetados a través de la farmacia de su centro, llame a su coordinador de atención o a nuestro equipo de Servicios para Miembros.
