Care you need, close to home

We work with many doctors, hospitals, and specialists across Virginia, so you can find a local doctor in your plan and get the care you need. You'll also get a care coordinator to give you individual support in finding doctors and care. With lots of different kinds of providers to choose from nearby, it's easy for you to get your benefits and services, like these:

- Behavioral health services
- Early and periodic screening, diagnosis and treatment (EPSDT)
- Home health or nursing facility services if you live in one
- Long-term services and supports
- Prescription and over-the-counter drugs
- Rides to doctor visits or other medical appointments
- Visits to the eye doctor

Plus, you get extra benefits, including:

- \$100 for assistive devices and wheelchair accessories.
- One eye exam and \$100 for eyeglasses (lenses and frames) per year.
- One hearing exam, \$1,000 for hearing aids, and 60 batteries per year.
- Community Resource Link — search online for jobs, food, housing, and more.
- Coupons with over \$1,000 in savings to local stores.
- HEPA-grade air purifier (prior approval required).
- Meal delivery after a hospital or nursing facility discharge.
- Smartphone with monthly data, minutes, and texts.
- Up to 12 rides per year to community events, grocery stores, and more.

If you get services through any of the developmental disability (DD) waivers, you'll get your regular care, like doctor visits and prescriptions, from CCC Plus.

If you have Medicare, too

We'll coordinate with both your Medicaid and Medicare plans. You'll get benefits like doctor visits, hospitalizations, behavioral health, and prescriptions from Medicare. If you need long-term services and supports, you'll get them from us.

Choose a PCP

Finding a doctor who fits you and your needs is easy. Just pick one listed in this book. Your PCP can be any of these kinds of providers who are in your health plan:

- Family doctor
- OB-GYN
- Specialist who gives primary care

Your PCP will get to know you and your health history. He or she will be your first stop for all your regular care needs.

If you have both Medicare and Medicaid, you'll choose a PCP from your Medicare plan. Just let us know who you choose and we'll coordinate with your Medicare PCP.

Can't find your current PCP listed here? Call **855-323-4687 (TTY 711)**. We add new doctors to our plan every day.

You can change PCPs within your health plan any time. To change or choose your PCP:

- Go to **[anthem.com/vamedicaid](https://www.anthem.com/vamedicaid)** and log in to your secure account.
- Call Member Services at **855-323-4687 (TTY 711)**.

Get help with long-term services and supports

If you need extra support for day-to-day activities, whether you live at home or in a nursing facility, we have services to help you. One of our care coordinators will talk with you, your doctors, and your support system about your health. This will help us understand your needs. Once your care coordinator assesses your needs, he or she will help you get the long-term services and supports you may need, including:

- Personal assistance services.
- Assisted living.
- Adult day healthcare.
- Respite care so family and caregivers can take a break.
- Rides to doctor visits or the drugstore.

Your care coordinator will see you regularly to make sure your care plan is working in a way that fits your needs. To learn more about long-term services and supports, look in your member handbook or call your care coordinator.

Get behavioral health services

If you need mental health or substance abuse services, either you, a family member, or your PCP can learn more by:

- Calling the mental health toll-free number on the back of your member ID card.

Emergency room alternatives

This section lists different kinds of places you can get care from without going to the emergency room.

Retail health clinic: A clinic staffed by medical professionals who provide basic medical services to walk-in patients, usually in a major pharmacy or retail store

Walk-in doctor's office: A doctor's office that doesn't require you to be an existing patient or have an appointment; can handle routine care and common family illnesses

Urgent care center: A group of doctors who treat conditions that should be looked at right away but aren't as severe as emergencies; can often do X-rays, lab tests, and stitches

The providers listed have agreed to participate at the locations shown. If you see a provider at a location not listed, please make sure the provider has an agreement at that location.

Providers in this section have not been credentialed by HealthKeepers, Inc. This doesn't suggest anything about the quality of those providers. This just means we haven't taken any steps to determine their qualifications. All of the providers have shown us they are licensed and carry levels of malpractice insurance that meet our minimum requirements. Make sure to talk with your providers about qualifications.

Alternativas a la sala de emergencias

En esta sección se detallan los distintos lugares en los que puede recibir cuidados sin tener que ir a una ER.

Clínica médica en establecimiento minorista: Consiste en una clínica con profesionales de la salud que ofrece servicios médicos básicos a pacientes sin cita previa, por lo general en farmacias grandes o tiendas minoristas.

Consultorio del doctor sin cita previa: Es el consultorio de un doctor al que puede acudir sin ser paciente y sin cita previa; este doctor podrá realizar cuidados de rutina y tratar enfermedades familiares básicas.

Centro de atención urgente: Incluye al grupo de doctores que tratan afecciones que deben atenderse rápidamente pero que no son tan graves como las emergencias; por lo general ofrecen radiografías, análisis de laboratorio y suturas.

Los proveedores que figuran en la lista atienden por cobertura en las ubicaciones que se detallan. Si usted visita a un proveedor en una ubicación que no aparece en la lista, asegúrese de que ese proveedor tenga un acuerdo para esa ubicación.

Los proveedores de esta sección no poseen credenciales de HealthKeepers, Inc., lo cual no sugiere nada sobre la calidad de los cuidados que ofrecen. Esto solo significa que no hemos realizado ninguna tarea para determinar sus aptitudes. Todos los proveedores nos han demostrado que tienen sus licencias y que poseen niveles de seguro de mala praxis que cumplen con nuestros requisitos mínimos. Asegúrese de hablar con los proveedores sobre sus aptitudes.

**Long-Term Care (Ltc) Pharmacies / Farmacias De Cuidado A Largo Plazo (Ltc)
Washington County / Condado de Washington**

Residents of a long-term care facility, such as a nursing home, can get their prescription drugs through the facility's pharmacy or another pharmacy in your plan.

Long-term care pharmacies are also called specialized pharmacies. Usually, long-term care facilities have their own pharmacies. We'll help you get the medicines you need at your facility's pharmacy. If your long-term care facility's pharmacy isn't in your plan or you need help getting your prescription drug benefits through your facility's pharmacy, call your care coordinator or our Member Services team.

Los residentes de un centro de cuidado a largo plazo, como un asilo de ancianos, pueden acceder a sus medicamentos recetados mediante la farmacia del centro u otra que esté dentro del plan.

Las farmacias de cuidado a largo plazo también se denominan farmacias especializadas. Normalmente los centros de cuidado a largo plazo tienen sus propias farmacias. Le ayudaremos a obtener los medicamentos que necesite en la farmacia de su centro. Si la farmacia de su centro de cuidado a largo plazo no está dentro de su plan o si usted necesita ayuda para obtener sus beneficios de medicamentos recetados a través de la farmacia de su centro, llame a su coordinador de cuidados o a nuestro equipo de Servicios para Miembros.
