

You are invited!

Provider coding education (CME/CEU) webinars and on-demand trainings are now available!

You can now access all provider coding education events for Anthem Blue Cross and Blue Shield (Anthem) with one easy, convenient link: <https://qr.go.page.link/B3Tik>. Anthem will add new topics to the training page, so please check it often. Enjoy informative webinars designed specifically for network providers, coders, billers, and office staff. A variety of helpful and educational topics relating to coding and documentation, claims and billing issues, member care, quality measures, and more are available.

Register today!

- Access the training site at <https://qr.go.page.link/B3Tik>.
- You may also access the page using the QR code.
 - Use the camera on your device to capture the QR code. A link will appear. Tap the link to open the training page.

Topic	Date	Time
Care management and patient experience	September 30, and October 26, 2021	noon to 1 p.m. CT
Care coordination: a patient-centered approach	October 6 and October 27, 2021	
Telehealth 2.0: building a sustainable model	October 12, 2021	
Social determinants of health	October 20, 2021	

Live events: Each live training webinar event offers one unit of continuing education.

On-demand events: A library of recorded webinars is available for your convenience, which is a great way to stay updated on relevant information. After registering, you will receive a confirmation email with details and a password. Currently, we offer CME only for on-demand events.

On-demand events password: Wisconsin2021
