

You're in control of your training experience!

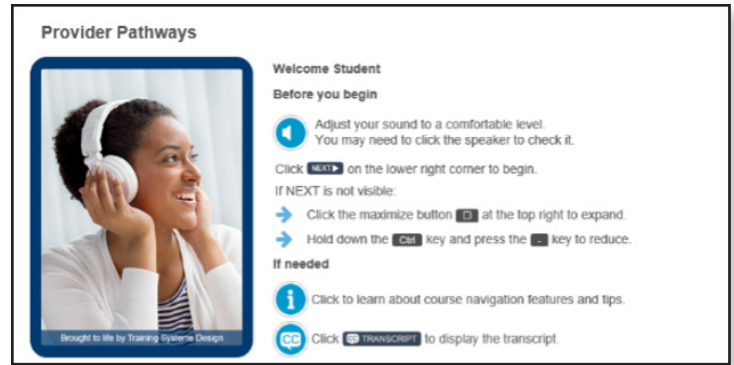

You select the training path you need. Do you want to learn more about authorizations or maybe you need information on claims? You pick the path. You decide the pace.

Provider Pathways includes information on most of our frequently used provider tools and resources:

- Joining our network
- Signing up for Availity Essentials*
- Enrolling in EFTs/ERAs
- Checking member eligibility and claim status
- Authorizations and so much more

The modules have both instructor voiceovers and transcripts to take you through each lesson. You can pause, replay, or go back whenever you need. Provider Pathways tracks your progress in case you have leave and come back later.

The modules are designed to be informative, easy to navigate, and can be retaken if you need a quick refresher on one or more topics, whenever needed.
