## Assisting members with Medi-Cal Managed Care redetermination

Date: May 18, 2023

Time: 3 to 4 p.m. (Pacific time)

Location: WebEx event

Learn more about what Anthem Blue Cross (Anthem) is doing to help members maintain their Medi-Cal Managed Care (Medi-Cal) coverage.

The California Department of Health Care Services estimates that 2 to 3 million members will lose eligibility or fall off Medi-Cal. California resumed disenrollments on April 1, 2023, which have been paused since February 2020. Millions of beneficiaries are expected to be disenrolled over the next year, including some who are no longer eligible for Medi-Cal, and others who still qualify but will lose coverage due to administrative paperwork problems.

Beau Hennemann, Anthem RVP, Health Plan Performance and Engagement, will present Anthem's approach to the unwinding of the continuous enrollment provision and how Anthem will help members maintain coverage.
