Provider coding education

Webinars and on-demand trainings are now available!

You can access all provider-coding education events for Anthem Blue Cross (Anthem) with one link: <https://tinyurl.com/ms8tuawt>. We will add new topics to the training page, so please check it often. Enjoy informative webinars designed specifically for network providers, coders, billers, and office staff. A variety of helpful and educational topics relating to coding and documentation, claims and billing issues, member care, quality measures, and more are available.

Live events: Each live training webinar event awards one unit of continuing education.

On-demand event recordings: A library of recorded webinars is available for your convenience, which is a great way to stay updated on relevant information. After registering, you will receive a confirmation email with details and a password.

Upcoming topics include:

- 2022 coding updates changes
- HEDIS® Adult Measures
- HEDIS Chronic Conditions
- HEDIS Colorectal Screening
- Lead poisoning prevention in children

There are two easy ways to register. Please reserve your place at least 24 hours prior to the start of the event. Register today, you will not want to miss these exciting opportunities!
