

You are invited!

Provider coding education (CME/CEU) Webinars and on-demand trainings are now available!

You can access all provider coding education events for Anthem Blue Cross (Anthem) with one easy link <https://qrgo.page.link/nZRop>. We will add new topics to the training page, so please check it often. Enjoy informative webinars designed specifically for network providers, coders, billers and office staff. A variety of helpful and educational topics relating to coding and documentation, claims and billing issues, member care, quality measures, and more are available.

Live events: Each live training webinar event awards one unit of continuing medical education (CME).

On-demand events: A library of recorded webinars is available for your convenience, which is a great way to stay updated on relevant information. After registering, you will receive a confirmation email with details and a password. Currently, we offer CME credits only for on-demand events.

Upcoming topics include:

- Improving the patient experience.
- 2021 CPT® coding changes.
- Health assessments and screenings.
- And more topics forthcoming.

On-demand events password: **California21**

There are two easy ways to register. Please reserve your place at least 24 hours prior to the start of the event. Register today, you will not want to miss these exciting opportunities!
